WHAT'S UP DOC?

This is the third newsletter from the Poore Medical & Dental Clinics. Please note that I use the plural because we are operating two free medical clinics (the main Clinic on Fine Ave. and our satellite clinic in Sunnyside) and our department of dentistry, The Sid Davis Memorial Dental Clinic on North Izabel. Coordinating the two clinics has been a challenge, but our unpaid volunteers are always up to a challenge. Professional basketball is lucky that I didn't enter our volunteers in the playoffs because they would be a formidable opponent.

We have a new, much-needed Executive Director, Mr. Eric Walden, who comes to us at a critical time in our operation. He has a long history of involvement in non-profit organizations and you may expect to hear loudly from him in the future.

Please mark your calendar. Our annual fundraiser "Beans and Rice" is scheduled for Saturday evening, September 26th at The Orpheum. The theme will be "Route 66" and we really need your support since this is a large part of our annual operating budget. Come and join Henry and the Poore Boys for an evening of songs and stories along with other local talent.

Finally, as Mother Maybelle would say, "Keep them cards and letters (and especially checks) a comin' in."

Thank you, all you wonderful volunteers and supporters.

Henry W. Poore, MD

Volunteer Spotlight

Volunteers started the Poore Medical Clinic and volunteer doctors, dentists, nurses, assistants and office staff continue to serve our patients to this day. In this issue we shine our volunteer spotlight on:

Sue Lewis, RN is our medical staff coordinator. Starting with the Clinic two months after we opened, Sue now schedules all of our doctors, practitioners, nurses and medical assistants. It is a complex task and Sue does an outstanding job with a smile and upbeat manner.

Lora Truillo is our front office coordinator and schedules all of our screeners and receptionists. Lora has been with us since the planning stages in 2011, serves on our Board of Directors and continues to train our office volunteers and keep the schedule running smoothly.

Heard Over The Counter

"I am sure that many people pass through these doors and express sincere, heartfelt thanks for what you do for them. I want to go beyond a normal expression of gratitude. It is a very honorable thing to take up the cause of people who need these services the most. I want you to know that you have enriched the quality of my life. So by this small expression of my appreciation I hope to enrich the quality of your lives and encourage you in your work."

“SAVE THE DATE” FOR BEANS & RICE!

Mark your calendars! Our annual community celebration, *Beans and Rice*, will be held on Saturday, September 26th at the Orpheum Theatre in downtown historic Flagstaff. *Beans and Rice* is a family-friendly evening of music and storytelling featuring some of Flagstaff’s best artists plus, a live auction and raffle for outstanding prizes. The fun begins at 5:30 pm.

Last year’s *Beans and Rice* event attracted over 600 people and raised over \$40,000 which was used to buy medicines, equipment and pay operational expenses at our two locations. This year we’re hoping to break that goal. Tickets will go on sale in late August and can be purchased in advance at our clinics or from a Poore Clinic volunteer. Call 928-213-5543 for more information.

IT’S TIME TO PLAN YOUR 2015 TAX CREDIT \$

It’s not too early to plan for your 2015 tax credit donations. While you may be familiar with the school tax credit in Arizona, you may not know that **in addition** to a school tax credit donation, you may **also** make a tax credit contribution to a Qualifying Charitable Organization in the same year. The Poore Medical & Dental Clinics are a Qualifying Charitable Organization.

Q: How much can you donate?

A: A married couple filing jointly can receive a maximum tax credit of \$400. If you are single, or an unmarried head of household, or married filing separately, you may receive a maximum tax credit amount of \$200.

Q: How do you qualify?

A: To qualify for the tax credit, you simply need to claim the contribution on your 2015 Arizona tax return. This tax credit may be claimed **in addition** to other Arizona tax credits, such as those for public schools or school tuition organizations.

Q: How do you donate?

A: It’s simple. Just write a check made out to the Poore Medical Clinic and mail it in the envelope provided. We’ll send you a receipt. For more information visit [flagstafftaxcredit.org](http://www.flagstafftaxcredit.org) or <http://www.azdor.gov/About/FAQs/CharitableTaxCredit.aspx>

LAST BUT NOT LEAST...

We’ve made the cover! *Inscriptions*, a magazine of the Arizona Dental Association, wrote a flattering article about our all-volunteer dental clinic. We’re so proud and grateful to our dental professionals for the time and service they give our dental patients.

Our new website is up and running. If you haven’t already, take a moment to visit it at www.pooremedicalclinic.org.

We’d like to extend a special thanks to the many local organizations and businesses that have generously donated to the Poore Clinic. They are too numerous to name individually in this newsletter but we want you to know that your donation makes a difference in the lives of the patients we serve.

Would you like to receive *Heartlines* by email instead? Please send your email address and request to pooremedicalclinic@gmail.com.

*The Poore Medical Clinic is a 501(c)(3) non-profit organization.
All donations to the Clinic are tax deductible to the full extent of the law.*

It is health that is real
wealth and not pieces of
gold and silver.
