 Libby Ruge
 Natasha Smith
 Jessica Turner

Give Kids A Smile

This summer The Poore Medical and Dental Clinics – The Sid Davis Memorial Dental Clinic – will celebrate their second anniversary in historic Sunnyside. As part of our celebration and commitment to Sunnyside, we will sponsor *free* dental screenings on July 23rd from 10 a.m. to 2 p.m. for youth in conjunction with the Give Kids A Smile program.

Give Kids A Smile is a program of the American Dental Association Foundation to provide dental services to underserved children. The Poore Clinics are proud to serve families in need in our community. By sponsoring free dental screenings we continue our mission of service to people in need.

We are very grateful to the dentists, dental assistants, hygienists and office staff – all volunteers! – who continue to provide professional dental care to people in need in our community.

Meet Our New Providers

Christy Pacheco, DNP, FNP-BC has been a Family Nurse Practitioner in Northern Arizona for about 17 years. She enjoys family practice, caring for patients of all ages and their families, with a focus on prevention, health promotion, and chronic disease management. She is also a Clinical Assistant Professor at the University of Arizona College of Nursing and Director of their Rural Health Professions Program, teaching the next generation of primary care providers. Her publications include a range of primary care issues and she has had leadership roles in a number of community health programs and initiatives. She enjoys hiking with her husband and 2 children.

Sarah Wheeler, DDS started in dentistry as a Certified Dental Assistant and earned her Bachelors in Dental Hygiene from the University of Missouri Kansas City. She served as an officer in the U.S. Public Health Service at Winslow Indian Health Care Center doing clinical dental hygiene. Sarah received her masters in Public Management from NAU prior to attending dental school at the Arizona School of Dentistry and Oral Health. She currently works for Tuba City Regional Healthcare Corporation as a general dentist. Sarah is married with three children, loves Flagstaff and snowboarding, biking, trail running, and enjoying her family.

Donations in memory of Dr. Poore may be made online at www.azfoundation.org/Poore or checks may be sent to The Poore Medical Clinic, 120 W. Fine Avenue, Flagstaff, AZ 86001.

Henry W. Poore, M.D. Memorial Endowment

The Board of Directors and the Staff of the medical and dental clinics are committed to carrying on Dr. Poore's legacy of providing primary care for people in need. We are establishing an endowment which will help ensure the long-term viability of the medical and dental clinics. Contributions to the endowment will be invested with the Arizona Community Foundation. Follow us on Facebook to receive updates sooner about the campaign.

It's Time to Plan Your 2016 Tax Credit \$

Now is the time to plan for your 2016 tax credit donations. While you may be familiar with the school tax credit in Arizona, you may not know that **in addition** to a school tax credit donation, you may **also** make a tax credit contribution to a Qualifying Charitable Organization in the same year. The Poore Medical & Dental Clinics are a Qualifying Charitable Organization.

Q: How much can you donate?

A: A married couple filing jointly can receive a maximum tax credit of \$400. If you are single, or an unmarried head of household, or married filing separately, you may receive a maximum tax credit amount of \$200.

Q: How do you qualify?

A: To qualify for the tax credit, you simply need to claim the contribution on your 2015 Arizona tax return. This tax credit may be claimed **in addition** to other Arizona tax credits, such as those for public schools or school tuition organizations.

Q: How do you donate?

A: It's simple. Just write a check made out to the Poore Medical Clinic and mail it in the envelope provided. We'll send you a receipt. For more information visit [flagstafftaxcredit.org](http://www.azdor.gov/About/FAQs/CharitableTaxCredit.aspx) or <http://www.azdor.gov/About/FAQs/CharitableTaxCredit.aspx>

Last But Not Least...

We are in the preliminary planning stages of our annual Beans & Rice fundraiser to be held this coming September. If you are interested in participating in the planning and/or presentation of Beans & Rice, please contact us. Over \$50,000 was raised last year to help deliver primary medical and dental care to people in need.

We continue to honor Dr. Poore by carrying on his compassionate work and by keeping the Poore Medical & Dental Clinics sustainable. Please consider how you can help today.
